

# BRIEF

- Operator chair automation
- One 7" touch screen (800 × 480px)
- Obvious and easy to use

# BRIEF

A photograph of a person's hand holding a pen over a desk. The desk is cluttered with various items, including a pen holder, a tray of pens, and a small sign. A white circle highlights a specific pen in the tray. The background is dark and out of focus.

On functionality and convenience

# COLOR & FORM

- High contrast for visibility
- Simple, straightforward indications
- Distinct, sensible interface

# COLOR & FORM

# INTERACTION

A hand is shown interacting with a tablet computer. The tablet screen displays a dashboard with various charts and data visualizations. The background is a blurred laptop keyboard, suggesting a professional or office setting. The overall image has a dark, semi-transparent overlay.
